

YARRILEE STATE SCHOOL 2005

UNIFORM POLICY

Procedures:

1. Students who are out of uniform need to bring a note from their parents/caregivers explaining the reason for this. These notes are presented to their Home Group teacher in the morning and they will be issued with a uniform pass for one day only. They need to carry the uniform pass with them during that day.
2. Students who do not have a note need to report to the office where they will be issued with items from the school spare uniforms to wear for that day. These items will need to be washed and returned to school. Parents will receive a note.
3. Students will be asked to remove jewellery other than those items allowed. It will be stored in the office until collection date.
4. Students are encouraged to wear sunscreen and clear lip balm for protection. Make-up is not allowed.
5. All students need their own sunsmart hat.
6. When students represent the school (eg sport, choirs, excursions) they are expected to wear the full school uniform with pride.

UNI FORMS

All students should comply with the student dress code policy which relates to uniform, jewellery and other matters relating to general appearance.

Our P&C strongly endorses this policy because we believe it promotes the objectives of the Education (General Provisions) Act 1989 and in particular that it:

- Promotes a safe environment for learning by enabling ready identification of students particularly when they travel away from the school.
- Promotes a supportive environment at our school by fostering a sense of belonging and pride.
- Fosters mutual respect among individuals at the school.

There is a range of uniform options which provides choices and flexibility for students.
