*An Independent Public School*

## Pre Prep Program

*in preparation for the 2024 Prep Year*

To ensure that our future Preppies have the best start and transition to formal schooling, Yarrilee State School implements two Pre Prep “Come and Try Sessions” for children and parents.

These sessions provide a wonderful opportunity for our future Preppies and their families to become familiar with our school and staff, join in classroom activities and make new friends prior to starting school in 2024.

At the end of the “Come and Try Prep Sessions” children and parents are given a Takeaway Pack full of activities and ideas to continue their learning at home.

Please contact the school office on 41977111 to register for one or both of our 2024 Pre Prep Sessions.
