

Yarrilee State School

An Independent Public School

Pre Prep Program

in preparation for the 2022 Prep Year

To ensure that our future Preppies have the best start and transition to formal schooling, Yarrilee State School implements a very comprehensive Pre Prep Program.

This year, we are introducing a new comprehensive range of Pre Prep Experiences and Programs for existing families and those new to our school including:

- "Foundation Principal Tours" for parents
- "Come and Try Prep Sessions" for children and parents

These programs are a wonderful opportunity for our future Preppies and their families to become familiar with our school and staff, join in classroom activities and make new friends prior to starting school in 2022.

At the end of the "Come and Try Prep Sessions" children and parents are given a Takeaway Pack full of activities and ideas to continue their learning at home.

Please contact the school office on 41977111 to register for any of our 2022 Pre Prep Program Sessions.

Students born between the 1 July 2016 and 30 June 2017 are eligible for the Preparatory year of school in 2022.
