*An Independent Public School*

## Pre Prep Program

*in preparation for the 2019 Prep Year*

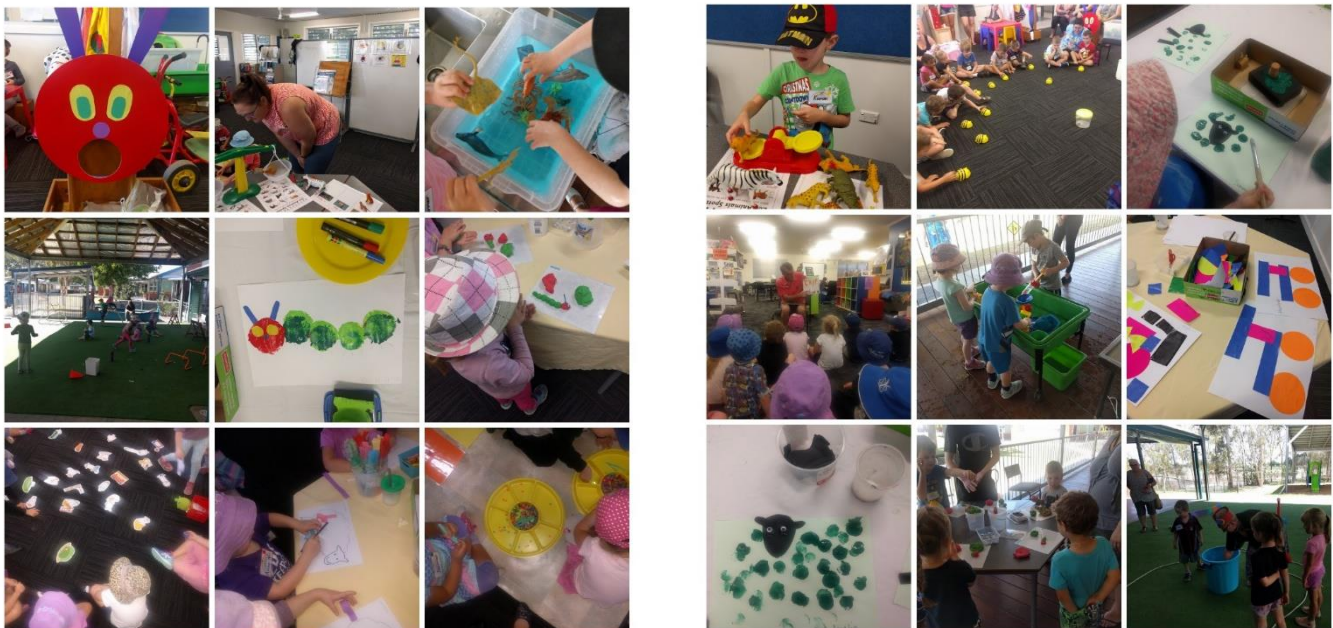

To ensure that our future Preppies have the best start and transition to formal schooling Yarrilee State School implements a very comprehensive Pre Prep Program.

Each Pre Prep Program consists of 4 scheduled school visits, each with a particular theme in which children participate in a variety of classroom and school activities including whole class instruction, rotational hands on activities, music/ movement, STEM, visits to the library and much more . Each of the 4 sessions within the program run from 9.00- 11.00am.

These programs are a wonderful opportunity for our future preppies to become familiar with our school and staff, join in classroom activities and make new friends prior to starting school in 2019.

At the end of each session the children are given a Takeaway Pack full of activities and ideas to continue their learning through until the next session.

We will be conducting 5 “Pre Prep Programs” each consisting of 4 individual sessions. Bookings for these programs are essential as spaces can fill fast. See over for program dates and times.
