Pre Prep Program

in preparation for the 2020 Prep Year

To ensure that our future Preppies have the best start and transition to formal schooling Yarrilee State School implements a very comprehensive Pre Prep Program.

This year we are introducing a new comprehensive range of Pre Prep Experiences and Programs for existing families and those new to our school including:

- "Foundation Principal Tours" for parents
- "Come and Try Prep Sessions" for children and parents
- "Get Set for Prep – School Experience Day" for children and parents.

These programs are a wonderful opportunity for our future preppies and their families to become familiar with our school and staff, join in classroom activities and make new friends prior to starting school in 2020.

At the end of "Come and Try Prep Sessions" and our "Get Set for Prep- School Experience Day" children and parents are given a Takeaway Pack full of activities and ideas to continue their learning at home.

Please contact the school office on 41977111 to register for any of our 2020 Pre Prep Program Sessions.

Students born between the 1 July 2014 and 30 June 2015 are eligible for the Preparatory year of school in 2020.
